

This elegant and stylish desk frame with round columns is designed with a telescopic cross bar that can be adjusted from width 116 cm to 176 cm in intervals of 10 cm.

Using the proven ConSet driveshaft single motor technology in an open frame design. Max load on frame is 100 kg.

Available in black, silver and white with inner columns in Chrome.

Delivered in one box – easy to ship and easy to assemble.

See specifications and combinations on pages 27-31.
